“ Judy was a dear friend. She wanted to be everyone's friend. She will be greatly missed. I am sorry I didn't call her more like I promised after we moved to Georgia. Her face was sunshine when she smiled. To her family hold on to her time she had with you.

“ Mrs. Judy was our neighbor and dear friend. I spent the Saturday before she died having a yard sale with her. She was so generous and compassionate. She ended up giving away, I believe, everything at the yard sale, she loved children and she loved everyone. She had more health problems combined than most anyone I know, yet she never complained and was always doing something for others. I felt so comforted in her presence. I will greatly miss her. Love and prayers to Jim and the family. Denise & Jimmy Crump
