“ Our deepest sympathy to the family. We have some very fond memories of good times with Kenneth in high school and Snead. He was always so fun to be around.
Sending our love, thoughts, and prayers.

“ When my granddaughter was a baby, Ken was about the only man that she would go to. Today she said that she remembered how he would "magically pull a quarter out of her ear" and things like that. She has fond memories of Ken and said she will miss him at our family get-togethers.
