“ We will miss Kenny so much. He has always been a good Son (in- law) to us. Always respectful, helpful and kind to us and he could be a funny guy, making us smile. He was so very young in spirit, mind and body. He would get out there and run around playing with the kids, they all loved him very much. I hate that this has happened and it still seems unbelievable. We all just keep thinking of things about him to talk about. I loved picking at him and the last time we saw him was here at Thanksgiving and that night at Walmart. When they were checking out I was sitting on the bench up front. Britt had to go back to check on something and he sat there and talked to me til she got back. Britt had read something to me earlier about what different states are thankful for and a couple were thankful for their inlaws. So I had to use that on Kenny. As they were leaving the last thing I ever said to him was, "Hey Kenny, What are you most Thankful for?" He said his family and I said, "You are suppose to say you Mom in-Law!" and of course he agreed :D I love you Kenny, I thank God you were a part of our family and we will miss you so very very much. Rest In Peace
