

## Ms. Kimberly Lynn Gregg

July 8, 1965 - November 4, 2023

### In Loving Memory of Kimberly Lynn Gregg

It is with heavy hearts that we announce the passing of Kimberly Lynn Gregg, a beloved resident of Albertville, Alabama. Kimberly, age 58, departed this world on November 4, 2023, at Marshall Medical Center South.

Kimberly was born on July 8, 1965, to her late parents, Crickett Gregg and Ken Gregg. Throughout her life, she exuded warmth, kindness, and a deep love for others. Her unwavering commitment to nurturing and caring for those around her led her to work in a daycare for many years, where her genuine affection for children shined brightly. Kimberly had a special place in her heart for animals, and her love for them was as boundless as her love for children. Kimberly is survived by her brother, Todd Gregg, and his wife, Regina, as well as her sisters: Suzanne Davis and her husband, Jeff, Connie Moore and her husband, Todd, Katrena Bass, and Annette Gregg; uncle, Hugh Heaton, and his wife, Rachael; aunt, Merle Pearce; host of nieces, nephews, great-niece, and great-nephews who were blessed to have her in their lives.

In addition to her parents, Kimberly is preceded in death by her step-brother, Jon Hawkins.

A celebration of Kimberly's life will be held on Sunday, November 12, 2023 from 2:00pm – 4:00pm at Mount Calvary Baptist Church Fellowship Hall, Albertville, Al., as they come together to commemorate the wonderful person she was and the love she shared.

The family would like to express their heartfelt gratitude to Mutt and Marie, her

precious neighbors, for their unwavering support and companionship during her time of need. Kimberly's life was richer because of the love and kindness she shared with those around her, and her memory will continue to inspire and uplift those who were fortunate enough to have known her.
