“ I just want to let your family know that I appreciate y'all letting me get to spend time with Uncle Lawrence. It was part of my healing since mom died . I wish I had known how much he liked popcorn because that is a favorite of mine. We talked about mom and grandma an grandpa it was so nice to learn more about our family. As we know there is only four of Sam and Nannie children left so hug a neck or have coffee with them if possible. Speaking of coffee it took me a couple of times to get it the way Uncle Lawrence liked it but he drank it anyways. He talked to me about some wars stuff too. I wish my husband could have been here to salute him one last time solider to solider. May we all thank God above for our freedom . Then thank a solider for their service to this United States of America. Uncle Lawrence I love you solider.
