“ *One of my favorite memories of Dad is when the Tornado's came through Albertville many years ago. He got his chainsaw and himself and went to work. He went downtown where it hit the hardest. When profit seekers came to use this tragedy for monetary gain, he was quick to tell them now is the time to show them someone loves them, show them Jesus. Love is an action word, and he couldn't wait to take action and help anyone and everyone he could.*
