“ I just learned of Leota's passing as I searched the internet for her. She and Tom were long-time friends of my parents from church and they last visited my dad when he was in Hospice over 4 years ago. My mother has just gone to a memory care facility and I found a note Leota wrote to her in 1972 when my mother was about to leave for Florida to care for her father. Leota related her own experience in caring for her father and the scripture she quoted was such an encouragement that my mother kept the card all these years. I read it today and it encouraged me in the same way. Leota was a godly and beautiful woman in so many ways. I'm happy she is with Jesus, but heaven's gain is the earth's loss. My belated condolences to her family. You were gifted with a treasure.

“ I remember how cute and sweet Leota was. I remember Thomas as my very handsome cousin who I worried about when he was in the service, in Korea I think. I haven't seen them for years. Love???
