“ *Pastor Louie and Nancy.... Our Prayers have been with you as you made the sad trip "home". We always enjoy hearing your memories of growing up in Albertville. As you get older the memories will come to you at strange times and you will, perhaps, wonder - "why did I think of that now"? Always be thankful that you have them! Our love and prayers are with you now and We will ask God to keep you safe on your journey back to us. We love you both. JR and Nancy*
