“ Frankie, Brandy, and Chris,

I can't possibly tell all of the memories I have of Lois, but I want to take a moment to say how much I enjoyed being a mom with her. She and I enjoyed so many ballgames and concession stand chats. I always admired what a hard worker she was. I loved to hear her stories which she always told with so much expression. I really feared her flip-flops and thought that she might whip me with one of them, too, if I didn't act right.

I know that this is a difficult time for all of you so I wanted to take a moment to tell you how great a friend Lois was to me during the last 20 years. She was certainly someone that I am thankful for having had the opportunity to share my life.

The Mastin family will keep all of you in our prayers in the days to come.

“ *it has been a long time since I have seen Lois. My fondest memories are when our boys played baseball together in Albertville, way back when. Always a fun loving spirited woman. She will truly be missed by many. May God give Frankie and the family comfort during this difficult time. You are in our thoughts and prayers, Rhonda(Reno) & Larry Allen, Oxford, Al.*
