“ I have such wonderful childhood memories of my favorite Aunt Lottie. Even without T.V. and cell phones, she kept us entertained. She had a beautiful doll wrapped in a box to save for her own little girls, but IF I was really good, she would bring it out to play with. Aunt Lottie never missed calling on my birthday and making me feel loved and important.

And singing, we sat on that front porch and sang "Redeemed". And that never changed, whenever visiting Mom and Pap, then just Mom, we gathered around the piano and sang old gospel favorites. I'm looking forward to joining that choir in heaven and blending our voices together once again.

Aunt Lottie, Uncle Guy and John...you are truly missed.

I love you Joy, and I love you Peggy. Thanks for sharing your mom. May God bless and keep you till we meet again.

“ Dear Peggy and Joy, Your mother was beautiful inside and out. She was smart, loving, kind, thoughtful and caring. Her family meant the world to her. She was so proud of both of you. You both have been loving caring daughters who went the extra mile. Bryan was the apple of her eye and she would always say great things about her wonderful son in law Jeff. It broke her heart when Eddie died. This picture of Lottie is great. She was always a good looking lady. When she was young she was beautiful. I always wanted to look like Aunt Lottie. She has always been so good to me. Remember we even bought homes next door to each other. I love the song " Be Happy Be Kind I'll meet you in heaven and live next door to you." Death separates us from our loved ones but we have the Blessed Hope. Jesus is coming again. Praise God. We will see Aunt Lottie happy, smiling beautiful and healed on that Resurrection day. I love all of you.

“ *Peggy and Joy,*

We send condolences to you on your mother's death. I still remember the day she invited Ray and me to provide music at one of your worship services (We had been taking steel guitar lessons but were a long way from being proficient). Wonder why we never got a return engagement request? I know cousin Lottie loved her immediate and extended family, especially her children. May God comfort you in this time of loss. My health prevents travel to Alabama but I will be thinking about you during the service time.

Love,

Jerry, Freida, Emily, and John Fields

“ Dear Peggy and Joy,
Your mother was a beautiful lady inside and out. When she was a young lady she was so very pretty. I wanted to look like her. She was smart, caring, giving, kind, and loving. The list could go on. She was a faithful Christian. She saw the best in everyone. She loved her family, she was so proud of you both. She would sacrifice anything so her dear children would have a Christian education and a good life. I loved her and we always went to visit when we could. We even bought houses next door many years ago. She always called me on my birthday. She was so thoughtful. She will be missed. You have been wonderful daughters and have always taken good care of her. Bryan was the apple of her eye and she couldn't say enough about her wonderful son in-law Jeff. Resurrection day will be a happy day when we meet our loved ones well, happy and beautiful again. It will be like a moment to Aunt Lottie and she will be with the ones she loved. She leaves beautiful memories to all she touched. I love you Love Aleene and Johnny
