Tribute Wall

“ I’m so sorry to hear about your mom. I loved her so much! I was glad my brother Kenneth (Kenny) and I got to know you all. I have to say it was the best foster home we we ever in! I was only 7 or 8 but the taught me the meaning of love and how to love the lord. I’m so sorry I couldn’t make it to the viewing but I have been unable to do a lot of things. It hasn’t been long since I had brain surgery for an Anursyum and I don’t get out much and my depression really hit me hard when Kenneth died. They ruled it a suicide but I know in my heart that it wasn’t. He was a deacon and loved the lord so much. He will be gone 6 years November 7th. God only knows how much we miss our loved ones when they are gone. God bless you all and you all are in my heart and prayers. With much love.
