“ Grace was only 3 & a half years older than I so I always thought of her as a cousin rather than an aunt. I did not know of her passing until I read my Face Book posts this morning. She was a wonderful person, one of my favorites. One of my fondest memories is seeing her in her pink formal gown as she prepared to go to her piano recital. She would have been 15 Or 16 years old at the time. I will miss her.
