United Methodist cemetery. To our beloved mother, acknowledging her endless love for her children.

Carrying us and giving us strength as we guide our children, and show them the love that you

showed us, and give to them the sense of purpose and love of life that was

your daily expression.

In life, we are always looking ahead. We must. It is said you often don't know what you have until

it has left you. We love you, Mom, as deeply as children could love anyone.

You are our light and

our soul.
