“ I send my heartfelt thoughts and prayers for all the family and friends. I loved Mary Moor. We were good friends in high school. I loved to sit near her in class because she would always make us laugh. She could hide her laughter with just a clinched teeth and Sweet smile, while I and some others were just flat out laughing. We had a good time in school. It is so sad to know what her final years were robbed from her. Love to all 💔❤❤❤❤
