“ I met Mattie back when I was 18 yrs old when I worked at the Health Dept for a couple of summers on the Summer Youth Program. She was such a loving and caring person to all her patients and her friends. That was over 30 years ago and I have never forgotten her since then. My heart goes out to the family for their loss. She was an amazing lady!

“ Mattie was such a special lady. She was compassionate, loving, caring and kind—always thinking of others. I always looked for her at our class luncheons so I could get one of her wonderful hugs, I will miss her terribly. God got a beautiful angel.

“ *Mattie was the kindest and most thoughtful person that I know. She sent cards to everyone who she knew that was ill or injured and never forgot a birthday. She and David attended almost every class luncheon that we held and were always very active in our Christmas Basket effort for our classmembers. She will be deeply missed.*

“ *David and Family*
I have received Birthday and Christmas cards from Mattie long after I stopped sending mailed cards to anyone. That did not stop her from her continued efforts to keep in touch with everyone including me.

I will be going to the store to purchase a card just for Mattie. I should have done it before now.

I am so very sorry for your loss.

Sincerely
