“ Alan,

So sorry to hear of your loss. Actually, of our loss. Your mom and Ruby were just like our own mom. They all raised us. Of course, no one knows how she was able to handle you and Sonny. Somehow, she did.

Losing this great generation of wonderful ladies and I include Hazel Roberts among that group, is a great loss to all. They were such a force for graciousness and good. I know you and I are better people because of our Mothers.

I wish I could be there today but I just found out about her passing a few minutes ago. You have my deepest sympathy. Just know that most everyone who knew your mother is thinking about you and her today and will for years to come.

Sincerely,

James Hughes
