“ I was blessed to have attended church with Sis. Myrtle for several years. She was a very loving and caring person.

“ I remember Mrs. Ragsdale getting her key to the city from Mayor Honea and the smile on her face was priceless...It was always great to see her in the halls....she was a blessing to many. She will be greatly missed. Also remember setting with her when she was painting with me and some other ladies. We all had finished our paintings and cleaned up. She did the same but wasn't happy with hers so the next time I seen hers a lot more was added to it. That picture is behind my desk.
