“Remember her so much. Memories of her from East Gadsden United Methodist Church. Last time I saw her was there many years ago. She will be missed. Sissy Wilson Brown

“As a childhood friend of the Campbell family, Nene has been a presence in my life since Jimmie Ann and Larry were married; then in the lives of my children. Annual Christmas visits to Montgomery meant a visit with Nene, and the sweet quiet spirit, even in her declining years, always brought us joy.

“Honor her for all that her hands have done,  
and let her works bring her praise at the city gate.” (Proverbs 31:31)

Sending love and prayers for comfort, knowing that Nene is celebrating in heaven with family and friends who went before.

Love, Sandy

“ *Jimmie Ann and Larry,  
I considered Nene my 2nd mom. She made me tomato and Ann Page mayonnaise sandwiches for lunch; let me play with the wicker basket of miniature cowboys, army soldiers, and Lincoln Logs; she read me books; we stood over the floor furnace in the hallway eating chipped ice in the winter and fed chipped ice into the portable fan to stay cool in the summer. I felt like the luckiest child alive to be able to stay with her before I started school while my parents worked. She was a natural and compassionate teacher long before she entered the classroom as a profession. I remember her with love, joy, and thanksgiving...a life well lived!*
