“ *I am a colleague of Naomi's and my heart is heavy with sadness after hearing of the loss of her Mother. I wish I could be there to wrap my arms around Naomi for strength, love and support. My deepest sympathy goes out to the entire family and friends of Norma Vines. Although I never had the pleasure of meeting Norma, she was blessed with a long life, children, grandchildren, friendship and love. May you find peace and strength in the days to come when sadness opens it's doors to joyful memories.*

*With my deepest condolences to the entire extended Vines family.*
