“ *Traveling down the interstate clear from PA to say goodbye to the most influential man of my life. I strive to be the person my grandfather was. No words can express my love for him. I am so very blessed to have had him as my grandpa. All the fishing, peanut eating, barbecuing memories I have with him are the best. I love you grandpa, more than anything. I know now that I have the best guardian angel of all. Thank you God for blessing me with such a great grandfather.*
