

Mrs. Peggy S Fleckenstein

March 18, 1942 - May 17, 2017

Peggy Fleckenstein, 75, of Albertville, Alabama passed away on May 17, 2017 at Arab Hospital with her son by her side. She was born in Chambers County, Alabama to Otis and Gladys Welch and was the youngest of their three children. She attended Chambers County High School and upon graduation completed a secretarial course that gave her the business skills that she utilized in her career which included employment at Arrow, Mueller, and Parallel Products. Peggy was actively involved in her church and community. She organized and participated in Relay for Life events, Albertville beautification projects, and golf tournaments.

Peggy was mischievous and witty and delighted in telling outlandish stories and jokes. She was generous and kind and often secretly helped people in need. She found great joy in sharing the items that she produced in her kitchen and garden, but she was also highly competitive and wanted to harvest the first tomato and grow the most beautiful flowers. She loved golf, nature, gardening, Alabama football, trips to the mountains, and her dogs, but most of all she loved her friends, family, and God. Those she left behind love her dearly, mourn her loss, and will never forget her kindness, grit, determination, charm, and grace.

Peggy is survived by her son George Bailey, her step-sons Dan Fleckenstein and Mike (Brenda) Fleckenstein, step-daughter Jane (Rex) York , their

children and grandchildren, her sister Linda Welch, her brother Larry (Verline) Welch, her nieces, nephews, and countless friends. She was preceded in death by her husband Jim Fleckenstein and her parents

“ *My sincere condolences to George and the rest of Peggy's family. Many of us here at Mueller spent most of our careers working with her. She was literally "larger than life". And we miss her. Peggy was a great lady. We had a lot of good times at work. I seen her laugh and I have seen her cry. She cried one time because she had to fire a long time employee. She met me in the hall and asked me in the office and cried and said she didn't want to fire him but had no choice. She talked to me for 45 mins. She did feel bad about it. She was tough but she did care and had a good heart. She will be missed. Prayers for the family. God Bless.

“Peggy and I shared a lot of laughs and a few tears. She holds a special place in my heart and I will miss her greatly. We shared breakfast and many stories on a daily basis. My favorite story she told me was about when she was a little girl they had an apple tree. Her mother told her not to pick the apple until it was ripe. Peggy said she looked at that apple every day and finally couldn't take it anymore. So, she got on a ladder and ate the apple while it was still hanging on the tree. Typical Peggy, smart, adventurous, and hilarious.

My condolences to the family. I know you will all miss her as well.

“This world will not be the same without Peggy in it. She made a huge impact on several lives, mine included. She taught me to be tough at work. Taught me about flowers and how to keep them alive and always made me feel appreciated, when I kept my mouth shut of course! She loved life. She told so many stories about her family we all felt we knew them. She will be missed.

To her family: No words can heal the hurt but one thing is sure, she loved you all more than you'll ever know.

To Peggy: I hope the garden is full of your favorite flowers. Give Jim a hug for me.

*Love you,
Tish*
