“ On behalf of my family, we extend our condolences to Phil's loved ones. He was the consummate story teller with a great laugh. A good friend to our father, Alan Clark of Gulfport, Mississippi, it was always a pleasure to see Phil at the golf course or the yacht club. He will be missed.

“ Phillip and I grew up together, attended twelve years of school together, played baseball together in Jr. High and were very close friends at Asbury. Our families were very close during those years. I just want to send love and condolences to all of Phillip's survivors and tell you all that you are in our prayers during this time. He will truly be missed by all who ever knew him.
