“ Happy LATE (as usual) Birthday, Big Brother!!
I miss you terribly! I sure would love to hear one of your rants..those always made me giggle. I'm sure you and Daddy are having a good time. Momma missed you so much when you passed, but she did not understand how you were suffering from that awful disease called, Alzheimer's. She was not well for several years, but you already knew that. Make her behave herself. Give Daddy a big hug for me, and Happy Heavenly Birthday!
Love your little brat sister,
Kelli <3
