“ My thoughts and prayers are with the entire Cofield family. Mr. Cofield was probably the most straight-forward, thoughtful, respectful and kind-hearted individuals I have ever known. He not only brought someone homemade strawberry jam, but also the Jell-Ease and his instructions on how to make it. He would bring pear preserves...canned green beans....lemon cakes...candy... anything he thought would brighten someone's day. He appreciated people, and he would not accept any help without having something to give in return. He loved his family and spoke often of them. May Mr. Cofield rest in peace and may the Good Lord comfort his family and friends. Heaven has gained a precious Angel.
