“ He always welcomed me into his home. He was there for me after my dad died
I remember when my car wouldn't crank outside of church. I was so stressed out already. He told me not to worry. He got my car fixed and I still don't know what he paid. That was the kind of man he was. Loving, caring, and surprisingly funny. He is loved and missed by many. Praying for this precious family.

“ *I am so sorry to hear about Raymond. I will never forget that Raymond gave me my first "real" job at age 14. It was washing cars at his service station located next to Uncle Fred's house. It seemed like we washed a 100 cars one cold Saturday. I think of this often. Best wishes to all of the family. Bruce Ray*
