“ I will always cherish the many and long phone calls we shared. We will miss and love you dearly. There will be trees planted so there will always be a living memory of you from my family and I. Love your sister Marcia

“ Uncle Dick and Aunt Jean were such a part of my daughters early days! They moved to Huntsville where we lived in the early 90's and became a large part of our family. He often shared stories of seeing me when I was a baby in 1955! Uncle Dick was a tireless caregiver to his first wife, Jean, who died from complications to Rheumatoid Arthritis. He was always a good man who lived a good life. I'm attaching a photo of him with my oldest daughter who is now almost 35!

“ A master sgt US Airforce with 20 years service. He was a avid Deer hunter. if he respected you,you had a friend for life. Honest to a fault. always opinionated ! Kind hearted would give the shirt off his back if he thought someone needed it. Those of us that knew him were fortunate. Rest in peace uncle Richard
