“ I was Richard's Transportation Supervisor for about 5 years when he was a teacher at Mccord Elementary School and also a school bus driver for the Marshall County School System. A very good bus driver and person. Sandra and I were his parent's neighbors at Hustleville from 1978 to 1988. Good people. I will be praying for the Cole family. TRS

“ *Coach Cole was a role model for many young men that played for him. I went to visit him about about 30 years ago to tell him how much he influenced me—partially because I was scared of him but more so because of his character and faith.*
