“ Wayne was an ardent supporter of the Diagnostic Laboratory in Boaz and helped make the facility on the Snead campus happen. He supported students and scholarships and loved the Poultry Industry. I can remember his dry humor and practical approach to life. God bless you and make your journey to our father a wondrous one.

“ Wayne was a true leader and one of the most decent human beings I've ever known. I knew him through the poultry industry and as a fellow Marshall Countian. He was a quiet man of character and will be missed.
