“ Known Rick since we were in elementary school. Had many classes with him over the years. Played a lot of basketball at PE together. Got paired up with him one time for tackling drills at football practice. Never been hit so hard by anyone before or since. Recall meeting up at his house the night of our AHS graduation. A group of us were leaving that night for Daytona Beach to celebrate graduating. Crazy trip, but somehow we survived it. Rick was always a stand up, salt of the earth type of guy. Honest and trustworthy, a man of his word. I moved away after high school and only saw Rick on occasional visits back home or at high school reunions. However, each time I saw him, he was the same down to earth guy. Hutch
