“ Papa Rick and Sherrell were fundamental in my life when coming out of a lifestyle of drugs over 10 years ago. Ricky opened his home to me on the weekends and I would hours to visit with them. They gave me a safe place to go where I would not be judged and could begin the journey to becoming the woman I am today. He was like a father to me during that time and he will always hold a special place in my heart.

“ Ricky was not only a Class of 74 classmate, he was a life long friend. One of my favorite memories is I was out just riding around and rode by Ricky,s house by chance. As I passed by I heard some one shout at me. It was Ricky. He was sitting on a pontoon boat he had in his yard. I pulled in and walked over to where he was. I climbed up and set down,and we sat and talked for nearly two hours. It had been probably 15 years or so since we had seen each other but it was just like the two school boys that had seen each other just yesterday. Ricky was that kind of a guy. He was my friend and will be greatly missed. Rest in Peace

“ You will be missed greatly Ricky. I can remember our rides together on your bike. How gentle you were and kind with my Grandson when you took him on the back porch and had a man to man talk with Caleb when he was just a few months old while Sherrell and I visited. We gave Caleb watermelon and I can see the smiles still on your face and the laughter from your heart. You where a man that loved to cut up and make others laugh. My Gentle Giant. Thank You for the wonderful memories I have of you and shall hold them dear to my heart. Loved Forever Ricky
