I miss my daddy so much. I read something about 365 day grief support. I don't think it's that simple. I still morn my mom who died 40 years ago. My sister Linda, my grandparents and numerous other family members.

“ I still remember Uncle Lee telling me about his time in boot camp in Marshall, MI. He always told me about how cold it was! I know he enjoyed studying the civil war battles and that's why mom got me to send him the books I had (she said he enjoyed them quite a bit). I know millions of Americans are grateful for the sacrifice that he made for his country in World War II. May he rest in peace!

Our sincere condolences,

John and Debbie Harper
