Ruby was born on November 4, 1933, in Crossville, AL to General Lee and Hattie Mae (Young) Gilbreath and the youngest of six children. She grew up in a rural farming community back in the days when everyone had to work in the fields gathering crops by hand and she enjoyed everything about farm life. On November 12, 1949, she married Melvin Wilson of Dawson, AL, a World War II Veteran. Ruby and Melvin had eight children. In her own words, her greatest accomplishment and what she was most proud of was raising her children and being a good mother. She is much loved and respected by her children and the appreciation and admiration they feel for her is endless. She is a loving mother, grandmother and great-grandmother and truly treasured. She was preceded in death by an infant son, Larry Don Wilson, as well as her parents, husband and all her siblings.
