“*Sheila was one classy lady. She was smiling every time I saw her and always gave the best advice. She definitely loved her family and her puppies and was always talking highly of her girls. May you find peace in knowing how much she truly loved you. May God bless you during this time.*”

“*I worked with Sheila at in Customer Service at Deltacom on 2nd shift. We spent several years working together (just her and I for a few of those). I feel so blessed and honored that I was able to get to know her. We bonded over the love of our families and dogs. She was such an amazing and talented person! Sheila was also a lot of fun to be around. She was so spunky and had the best personality! I want her family to know she loved them so very much and was always talking about them. God Bless and may the Lord comfort you all during this difficult time. RIP beautiful lady!*”
