“ It was 1973 in Albertville,Alabama. The first time I ever meet Steve was spring football practice. Of course I thought he was a cutie from Rainsville that had to start his senior year at Albertville. But of course life at the time didn't put us together not until 1998. The old Texaco station in Albertville where Walgreen sits now. Very attracted to one another! We feel in love and married close to a year later. Steve Wells I love you so much and will love you for the rest of my lifetime !! Rest In Peace my love!
