“ *I had the pleasure of being one of Steve's care giver's over the years. I will never forget that click, click, click, he had when he wanted something, He had a way of intimidating me at first, but as I grew to know him more and more over the years, I learned that behind this 6 foot something tall man there was a tender heart, that was full of love, I knew this because he was always eager to give thanks to everyone who cared for him. I admire Steve for being brave and not giving up on the life God gave him. I had a dream once where I saw Steve walking, even though it didn't come true on this earth, I know now that he is strolling over heaven not only walking but singing and praising our loving Savior. I LOVE YOU STEVE!!!!!!!!!!!!!! Janice Chambers*
