“ *Josh, you might not remember me but my cousin (Berlina) and I used to hang out with you and your friend, Chris. I just wanted to send my sincere condolences to you and your family. I can only imagine what a great man your dad must have been to have raised such a wonderful person as you. You and your family will certainly be in my thoughts and prayers. ~~Juanita Lee*

*That loud noise I heard Wednesday, most assuredly, was a host of angels as they made a joyful noise unto The Lord, as you arrived to that mansion he had prepared for you.*
