“ *Tammy and Terri, you are experiencing the moment in life that we all dread, the loss of your dear mother. When I think of Sybil, I immediately have a vision of a beautiful lady with an infectious smile and loving eyes. As a young girl, I admired your mother. I thought she was the coolest mom with her fun ways and gorgeous looks. Other memories of Sybil include her cooking talent. During the Christmas holidays we anticipated her arrival at my mom and dads bringing a homemade chocolate pie for which she was famous for! We all loved Sybil! I know she will be missed by all her family but especially her sweet daughters. We will be praying for you in the days ahead.*

*Love you both
