“ I had the privilege to serve with Allen in the Navy as part of NMCB SEVEN, from 1997-98. He was always great for a laugh, and easy going. We always found fun things to do on deployment in Okinawa and Puerto Rico. I was thankful to have made such great friends when I served, and Allen was one of them. Prayers to Kristy and family to comfort you during this time of grief. His impact on so many people will always be present. Fair Winds and Following Seas.

“ He was not only the best dentist but a friend. Never saw him that he didn't ask about the family and my take on Alabama football he was a superb fellow.

“ Dr. Kirby was my dentist since I moved to Albertville when I was 14. He knew my entire mother's side of the family and cared for them deeply. Especially when my mother passed. He checked on me a good bit and I always got to chat with him during cleanings. He was an incredible person, father, and husband. He had a smile that could light up a room. My thoughts and prayers are for and with the Kirby family and friends. Definitely one of my most favorite people I have met my 32 years in this world.
