How well do I remember Travis and his family at the time, especially when they worked with us at Wagonmasters Transport. Travis and I had prayer together a number of years ago and I heard him ask Jesus Christ into his heart as his Savior. It was his idea to ask for me in particular to visit with him to have this conversation. I am so glad he did. I am 100% sure that he was sincere and that he meant every word of his request to our Lord and Savior Jesus Christ. I look forward to seeing my friend again, in a place where there will be no more troubles and sorrows or sickness or pain. I live in the Fort Payne community on Lookout Mountain. I was not aware of Travis's passing for over a year. My heart goes out to his family and loved ones near him in recent times. Until we meet again, George & Sandra Wagner
