“ Mrs.Aycock was my tech fair advisor since the 7th grade. Now as a junior I'm heart broken. She was always the light in the room and made sure to tell me how proud she was of me. She was always the person that I could lean on, she always told me she loved me and I will cherish that last I love you forever. I never met someone as loving as her, she cared for so many and now we need to care for her family. The Aggie family will never be the same without her. I love you Mrs. Aycock and thank you for the memories we made.
