“ Dear Little Family:

*I was sad to learn of Mr. Little's death. I know that he has been sick for quite some time. However it is never easy to give them up no matter how sick they are. I have wonderful memories of "Bruce" as Keith called him. I still miss Keith as though he left us just yesterday.*

*We can take comfort in the fact he is with Keith, Willena, Martha and Rosemond. Just one more angel to watch over us.*

*Sincerely,  
Deborah*
