“ We had the pleasure of meeting Bill when we pickup our shaved ice trailer. It was March of 2020. We hit it off really well and I had admiration for him and how he and his sons built the business over the years. What a remarkable start and subsequent success story. I was really impressed. The world lost a wonderful man. I send my sincere condolences to his son Jim and the entire family. Sorry for your loss. George of WV. Bill would be proud of how far we have come in our third season of business. Thank you sir for your kindness, character and support.
