“ I was blessed to get to know Tom while he lived at Bridgewood, and later Fleming Farms. He was B Flatt Band's biggest fan -- helping us tote gear, setup, notify residents that we would be playing gospel/bluegrass music, being an enthusiastic member of the audience, requesting his favorite songs like "Take Your Shoes Off Moses", wearing his pizza socks, and helping us put things away at the end of our program. He always had a bright greeting and kind words for each of us, and shared his encouraging outlook on life. I feel blessed to have known Tom. I think of him often, especially his emotional courage and his example of strength as he aged. May God bless you Tom and your wonderful family. Bill C
