“ I remember when she used to come to her mom's in those garden boots to help in her garden. She looked so cute. She was always so pretty and made me feel like a special person and not just a niece. I always loved her so much. She always had me laughing. Daddy thought the world of her. He passed in August from a fall. God bless all of you. Keep her sweet memories alive. She loved you all so much. God bless.
